WORK EXPERIENCE

FYS Peer Leader/Teaching Assistant

August 2026 - Present

- Serve as a peer leader and teaching assistant for FYS 101, mentoring 20+ incoming first-year students through their transition to Syracuse.
- Track individual student progress and flag early warning signs to support at-risk students before issues escalate.
- Report outcomes to faculty weekly, building sharp, concise communication skills under recurring deadlines.

Meteor Venture

March 2025 - June 2025

Marketing Team Lead Intern

- Led a team of 3 consultants through 180 Degrees Consulting to develop an investor-facing fund brochure for Meteor Venture, an early-stage angel network, covering fund structure, deal flow process, and India startup market analysis.
- Synthesized macroeconomic data and VC growth trends into investor-ready deliverables to support Meteor Venture's external fundraising efforts

Deepflock.ai

February 2025 - March 2025

Student Intern

- Authored a 15-page research report on AI agent applications in FinTech covering fraud detection, credit risk assessment, algorithmic trading, and regulatory compliance
- Conducted competitive landscape analysis of ZestFinance, Bud Financial, and Upstart, evaluating ML architectures and market positioning for early-stage fintech applications

Global Association of Economics Education (GAEE)

February 2025 - June 2025

Research Associate

- Co-authored "The Price of Pink," published in the GAEE India Journal; conducted statistical analysis of 26 product pairs using R (t-tests, ANOVA, regression) to quantify gender-based pricing disparities in India
- Built a regression model estimating that the Pink Tax reduces women's monthly disposable income by ₹3,575, providing empirical evidence of its macroeconomic impact

LEADERSHIP

Student Government Association

April 2026 - Present

Finance Board Commissioner

- Appointed Finance Board Commissioner for Syracuse University's 70th SGA session; oversee funding allocation across 300+ student organizations managing a \$4M+ annual student activity budget
- Review event and travel funding requests for compliance with SGA fiscal policy, collaborating with university administrators to ensure equitable distribution of student activity funds

South Asian Student Association

April 2026 - Present

VP of Finance

- Elected VP of Finance for 200+ member South Asian student organization; oversee \$20K+ annual SGA budget across 15+ cultural and community events including Diwali, Holi, and Mock Shaadi
- Manage funding requisitions, reimbursement compliance, and budget allocation while coordinating with SGA to advocate for organizational funding priorities

CAMPUS ENGAGEMENT

Investment Club

September 2025 - Present

Member

- Collaborate within the Fixed Income Funds group to research and evaluate potential fund investments, analyzing market trends and fixed income instruments
- Participate in weekly investment discussions covering macroeconomic trends, portfolio strategy, and financial analysis

Private Equity Club

January 2026 - May 2026

Member

- Applied DCF valuation frameworks and financial statement analysis to evaluate prospective investment targets through hands-on club projects
- Developed foundational private equity skill set through technical modeling exercises and investment case reviews

180 Degree Consulting (180 DC)

October 2024 - May 2025

Consultant

- Served as Lead Consultant delivering pro bono strategy engagements for non-profit clients, including advising Pay Your Tuition (PYT) on donor engagement and communication strategy
- Developed tailored marketing frameworks and presented strategic recommendations to non-profit leadership to strengthen long-term donor relationships
